TEG TAB
GRID ACCESSORY

30 YEAR GUARANTEE

Teg tabs are a small plastic accessory which simplifies and speeds up the installation of tegular edge ceiling tiles. With sizes for both 24mm and 15mm grid, the teg tab reduces the amount of cutting and rebating required on site, and improves the overall finish of a tegular ceiling.

TECHNICAL INFORMATION

SECTION	PART	BOX QTY	COLOUR	DIMENSIONS	ITEM NO.
	24mm teg tab	300	White	24 × 6mm	NCTT24
	15mm teg tab	300	White	15 × 6mm	NCTT15

INSTALLATION

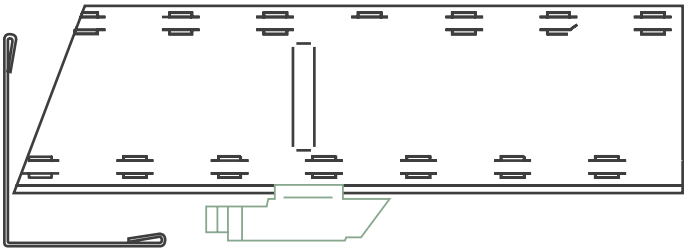

Step 1

When installing your Trident grid system, lower the wall angle by 6mm.

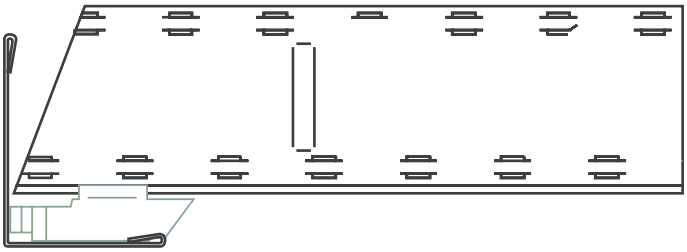

Step 2

Snap the teg tab onto the grid, with the angled side facing away from the perimeter.

Step 3

Slide teg tab across to the wall. To finish, cut the edge of the tiles square.
